Lose in 15 to 0 Game Saturday

After being forced to show how well really could play football, the Original Town Team met and defeated the Schofield Barracks eleven on Mollilli Field Saturday afternoon by a score of 15 to 0 in a game in which trilliant playing by both sides was the feature.

While both teams were about evenly matched in weight, the Townie backs were somewhat speedler than their adversaries. The visitors played straight football with rush after rush through the Townie line adding many yards to their credit, and althougu they were unable to score, fought des-perately but ineffectively to the end, wice during the game getting the ball within five yards of the enemy's goal line where they were unable to ad-vance it further.

The forward pass was in evidence t many stages of the game, the Townies using it more than to serve as a ground-gainer, one proving particularly beneficial to them near the middle of the first quarter when a touchdown was accord by bringing it
